ORTON-GILLINGHAM TRAINING IN SAVANNAH

Sheila Costello, Fellow of the Academy of Orton-Gillingham Practitioners and Educators, will be offering Orton-Gillingham training in Savannah on the Royce Learning Center/Chatham Academy campus. This training offers participants the opportunity to learn an effective approach for teaching children with language-based learning difficulties. The training prepares teachers to instruct diagnostically and prescriptively, either individually or in a classroom setting. This course provides participants the course work component for Associate Level membership in The Academy of Orton-Gillingham.

This is an intensive 60-hour course. In addition to in-class work, homework is assigned and trainees must complete the Academy of Orton-Gillingham Practitioners and Educators(AOGPE) required readings. The class fulfills the required 60 hours of course work for the AOGPE. Although not required, a practicum experience is strongly recommended.
